REPORT AND RECOMMENDATION
ON DEFENDANT'S CHANGE
OF PLEA

This matter came before the court for a change of plea hearing on Wednesday, November 8, 2006. The Defendant, Lynette Heth, appeared in person and by her counsel, Assistant Federal Public Defender Bill Delaney, while the United States appeared by its Assistant United States Attorney, Kevin Koler.

The defendant consented in open court to the change of plea before a United States magistrate judge. This court finds that the defendant's consent was voluntary and upon the advice of counsel. The government also consented to the plea hearing before a magistrate judge.

Defendant has reached a plea agreement with the government wherein Defendant has agreed to plead guilty to the charge of Possession of a Controlled Substance in violation of 21 U.S.C. § 844 contained in the Superseding Information. At the hearing, the defendant was advised of the nature of the charges to which the defendant would plead guilty and the maximum penalties applicable, specifically: one year imprisonment; a \$100,000 fine; or both; 1 year supervised release; 1 additional year imprisonment if supervised release is revoked; and a \$25 special assessment.

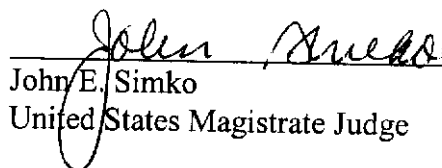

Upon questioning the defendant personally in open court, it is the finding of the court that the defendant is fully competent and capable of entering an informed plea, that the defendant is aware of the nature of the charges and the consequences of the plea, and that her plea of guilty to the charge contained in the Superseding Information is a knowing and voluntary plea supported by an independent basis in fact containing each of the essential elements of the offense. It is, therefore, my report and recommendation that the guilty plea to the Superseding Information be accepted and the defendant be adjudged guilty of that offense.

NOTICE TO PARTIES

The parties have ten (10) days after service of this Report and Recommendation to file written objections pursuant to 28 U.S.C. § 636(b)(1), unless an extension of time for good cause is obtained. Failure to file timely objections will result in the waiver of the right to appeal questions of fact. Objections must be timely and specific in order to require de novo review by the District Court. Thompson v. Nix, 897 F.2d 356 (8th Cir. 1990); Nash v. Black, 781 F.2d 665 (8th Cir. 1986).
